

DIVERSITY DEMANDS INCLUSION

Adirondack Wild and NY State DEC Forest Rangers guiding YENN student volunteers planting trees on an eroding area of Forest Preserve during Arbor Day. Photos © Dave Gibson.

We have succeeded in protecting millions of Adirondack acres. But this is not our greatest legacy.

Connecting a diversity of children to nature and to their Adirondack Park is the greatest legacy any of us can leave. They will love and protect only what they come to know. Let's all play our part.

This spring, join Adirondack Wild, NYS DEC, the Youth Edventure and Nature Network (YENN), and others to lead a child into the woods.

Please visit our website and find our stories of Engaging Students at:
